Dear Special Friends:

It is our belief that every child deserves a chance to be all that he or she can be, despite blindness and multiple disabilities – and it is our promise to help make that happen.

Your generosity allows us to fulfill that promise for the children and families we serve. **That is why, on their behalf, I thank you for your kind and generous gift of \$5,000.00 in support of our services at Penrickton Center for Blind Children.**

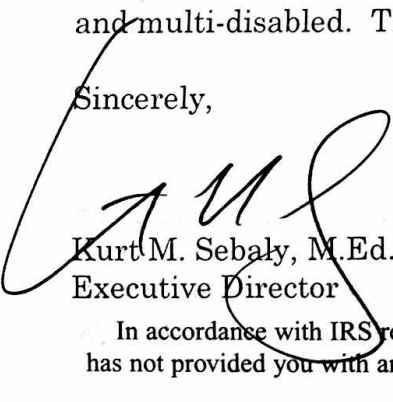

In fact, we couldn't do it without you. As a private nonprofit charity, we receive no state, federal, insurance or United Way funding. Nor do we ever charge families a fee, because we believe in the precious right to learn for every child. Instead, now as always, all our services depend entirely on charitable contributions from caring people like you.

What a difference your gift makes! The children at Penrickton Center face challenges that few, if any, parents are equipped to help them overcome. All of our children are visually impaired – and since most early learning is done visually, they must learn in alternative ways. Also, every child here has at least one additional disability – and oftentimes multiple impairments.

At Penrickton Center we emphasize – and strive to discover together – what our children can do, not what they can't do. Our specially trained therapists and child care workers use an array of creative, stimulating exercises, fun-filled activities and unique learning environments to stir and foster each child's curiosity, self-expression, understanding, communication and confidence.

Whether it's in our five-day-a-week residential program or day care program, Penrickton Center is a place where every child is helped to thrive, each in his or her own way. It's all the more vital, as we are the only child care agency in Michigan specializing in children who are blind and multi-disabled. Thank you so much for choosing to make such a difference in their lives!

Sincerely,

Kurt M. Sebalý, M.Ed.
Executive Director

P.S. - I am so grateful for your help & wonderful support!
